

May 4, 2020

Dear Chapters/Sisters and Brothers,

I am writing on behalf of Cindy's BEE T.E.A.M. Steering Committee Executive Committee.

What's the BUZZ in your world? We understand our Grand Conductress and John have lots of BEES buzzing and will once again have honey!

Most of the rest us are not BUZZING much. We are hoping each of you are sheltering in place and staying well. For those of you who must go out for a variety of reasons, we trust you are wearing a mask, maintaining your six (6) feet safe distancing and washing your hands or using hand sanitizer.

What a crazy world we know we are experiencing! Because of the lack of OES BUZZING, we, the committee, have not been able to have the fundraising meals we had planned. Nor have we been able to attend the events to have our selling table and make any profits. We are very concerned as is our Sister Grand Conductress Cindy, that we are unable to meet our financial goals as a committee and District.

In light of this predicament, we have a "BEE IN THE BOX"! This Bee is very hungry! And the only way we can feed this BEE is by donations. Any amount from your Chapter or an individual will be very much appreciated. Let's keep our BEE's BUZZING, even during a pandemic!

You can send your donation to our Treasurer, Liz Compton at 3138 Windsor Place, Grove City, OH, 43123. Checks should be payable to the District 17 Steering Committee. We will keep all donation amounts confidential. The committee and others will only know the total of the contributions.

I and the executive committee, thank you from the bottom of our buzzing hearts for whatever you might be able to send!

In Star Love,

*Carol*

Carol Boyd
